## **Mission Trip 2021 - Stock In Our Youth**

**“A Purchase That Will Last A Lifetime!”**

Risen Savior’s Youth Ministry would like to offer you the opportunity of sharing in the experience of a Mission Trip. With your purchase of stock in one or more of the youth attending, you too will also embark on an adventure.

Several youth from Risen Savior will travel and bring love to the people living in Cass Lake, MN. During their week in the community the youth will perform several tasks, such as: small repairs to homes, painting, maintenance, working at a kids club, etc.

The average cost per youth to attend this trip is approximately \$725. With your purchase of stock in a youth attending, you will help make the trip more affordable.

### **What The Share Holder Receives:**

- 1.) Certificate of purchase of the youth you sponsored.
- 2.) Invitation to the send off mass, which the youth you sponsored will attend.
- 3.) Postcard or letter from the youth, while on the trip, describing the adventure of serving just like Jesus did.
- 4.) Invitation to view a video or slide show presentation after the mission trip.
- 5.) If you provide an email we will add your email address to the notifications of a blog we will be updating during our mission trip.
- 6.) Understanding that YOU made a difference in the life of the youth of Risen Savior and the people of Cass Lake, MN.

Your contribution will help a youth give a week of serving the Lord and give you an opportunity to share in the experience with the youth in which you sponsor.

\*Please fill out the attached sponsor form with the name of the youth(s) in which you would like to sponsor, and the number of share(s) you would like to purchase.

If you have any questions regarding the 2021 Youth Mission Trip, please contact Travis Wyman, Youth Minister, in the parish office of Risen Savior at (952) 698-1731.

Dear Family and Friends,

I am writing to keep you up-to-date on what I have been preparing for lately. I have recently joined a group at my church, Risen Savior, that will be going on a mission trip to the Leech Lake Native Reservation in Cass Lake, MN. The YouthWorks Kids Club in Cass Lake meets a real need in the community, as there are not many options for kids during the summer months.

I am looking forward to helping bring hope, love, and smiles to the beautiful people of the Leech Lake Native Reservation. I will be working on home painting and cleaning projects and running a Kid's Club in their community.

I hope to [enter what you want to take away from the trip.]

I'm sure this Mission Trip will change me as well as the community we are helping. The mission team and I would appreciate your prayers and thoughts as we prepare and head out for our mission. Making this trip happen means I need to pay for all of my expenses on the trip which costs \$725. Please consider helping to defray a part of the cost of the mission for me. Stock is sold in \$10 increments and the stock purchase form is enclosed. You will be invited to join us for the Mission Sendoff Mass on June 27th. I will also write you from the mission site to describe how things are going. Any prayer or financial support you can give is greatly appreciated.

If you wish to partner with us by purchasing stock, read over the "Stock in Our Youth" information and fill out the Stock Purchase form and return it with a check, payable to Risen Savior. Please mail your check to Risen Savior to the attention of Rae Ann Konkol by May 15th.

Thank you for your support,
