

Advent Evening of Reflection

TO PONDER AS MARY PONDERED

How does Mary's pondering of the revelation that she was with child serve as a model of the contemplative life we are called to follow? Utilizing the insights of great spiritual writers as well as engaging in concrete prayer practices, we will unpack how to be contemplative disciples in a post-modern world so that Christ may be born anew in our time.

**DECEMBER
5TH**

**6:30-
8PM**
